Subject: R.O.Korea’s response to  
IRG N1677 (Ken Lunde) to add two CJK chars

1. Since this is a style issue, R.O.Korea suggests not to add the following char. to CJKU.

Note. 互 和 工 (U5DE5)

2. It seems reasonable to add the following char. to CJKU.

Note. 涼, is a variant form of 涼 (U+6DBC)
