Dear Mr. Chen:

Thanks for your message.

1) The following two characters must be deleted.  
(However, these two do not appear in ROKWS2017Changes2018-07.xls)

Seq. No.03409 : 米齊(KC-07317)

Seq. No.03265 : 竹山(KC-08098)

2) Plz change SC and TS for the following chara (it is KR's mistake):

Seq. No.04790 : 人馬(KC-08196)

SC 0->10

TS 10->20

Thanks.

Rgds,

KIM, K
