1. We called a small meeting to finalize our feedback to the “IRG WS 2015 version 2.0”. We revised five fonts of glyphs and then sent those new fonts to the IRG chief editor. Other issues please refer to the document “IRGN2155 Workingset2015v2_consolidated_TCA_feedback”.
2. We also surveyed the document “IRGN2154ROKNormalizationRules” that provided by IRG. We had some suggestion to these normalization rules, please refer to the document “IRGN2154ROKNormalizationRules_comment_from_TCA”.
