

Requested Updates to UCV/NUCV (IRGN2425)

The following updates to IWDS Series 2 and 3 are agreed in the IRG #56 meeting.

1. Addition

- a) Incorporate all IRG #52 UCV/NUCVs (per IRGN2425 SAT Feedback, IRGN2425 Henry Feedback)
 - The complete list (see IRGN2364) is shown below.
 - It could have major impact on existing entries #99, #203, and #405. See section 2.

b) Incorporate all IRG #56 UCVs (per IRGN2463 Appendix A, IRGN2477)

➤ The complete list (see IRGN2463 Appendix C) is shown below.

The following table list new UCVs in IRG #56
