Activity Report of the Hong Kong Special Administrative Region

Adoption of ISO/IEC 10646

1. During the period from 1 March 2022 to 30 September 2022, the Government of the Hong Kong Special Administrative Region (HKSAR) received applications to include a total of 12 characters in the Hong Kong Supplementary Character Set. 8 of the characters have been carefully examined and verified by the Working Group of Chinese Language Interface Advisory Committee (the Working Group). These characters are already included in the ISO/IEC 10646 standard and assignment of new code points is not necessary. The remaining 4 characters will be examined and verified at the next Working Group meeting tentatively scheduled for November 2022.

Review of IRG Working Set 2021 v3.0

2. The Office of the Government Chief Information Officer, in conjunction with the Official Languages Division of the Civil Service Bureau of the Government of the HKSAR, reviewed the IRG Working Set 2021 v3.0 and provided feedback to the IRG for consideration and discussion at the IRG meeting No. 59. The comments offered mainly concerned glyph design, radical, Ideographic Description Sequence, first stroke, stroke count and total strokes of the proposed characters.

Feedback on IRGN2539, IRGN2540 and IRGN2543

3. The Working Group discussed and provided feedback on IRGN2539, IRGN2540 and IRGN2543. The feedback was submitted to the IRG in August 2022.
