

Title: Feedback to IRGN2579 Suggestions for Taoism Sacral Characters Encoding
Source: Wang Xieyang(王谢杨)
Status: Individual Contribution
Action: For consideration by IRG

In IRGN2579, experts said “UK 申請的道教文字，共 152 字……依據專家們的查證結果，建議可先將 44 個字形穩定且慣用的字先進行編碼……其餘申請的道教字，由於所提供的圖證多出自近代出版，需要進一步考證最早的出處字形的一致性，因此，建議此類字形暫緩編碼，待查證與確認後再討論編碼”。

I suggest to postpone the 108 Taoism Sacral Characters which are suggested to be encoded after a thorough investigation.

What's more, I suggest UK establish a connection with experts in this major to check related ideographs before the next submission.
