Dear Dr Lu,

In ws2021 there have been many request for more evidence source information to be supplied. For the next working set it would be beneficial if the evidence sources (date, title, page etc) was included in all submissions in the excel files such in a way that it displayed clearly in the ORT from the start. It would be seem good to discuss this early on to allow time for suitable redrafting of PnP during IRG#61.

Yours sincerely
